30 November 2023

I love the anticipation of Christmas and all that it represents. For while Christmas gives us so many reasons to celebrate, it's the days leading up to it that make it all the more sacred. The colder weather causes us to seek warmth and rest inside our homes. The fewer daylight hours lead to more moments huddled next to tableside lamps. The more gifts get wrapped, the more shaking and peeking and sleuthing children do. And then, on December 24<sup>th</sup>, it's as if all our communities hold their breath. And I often imagine it's how all of Heaven felt waiting for Christ's first cry. The anticipation makes the moment holy.

That is how I feel about this report. All year, our team works, teaches, disciples, mentors, walks alongside thousands of men and women faithfully reading and learning God's Word. They work with the anticipation of what life will look like for these men and women as the Holy Spirit awakens their hearts to the truth of Scripture then celebrate as they graduate. The men and women listed on the following pages have worked tirelessly to be transformed by the Word of God and decipher how and where God is leading them next. So finally, we can introduce you to the 2,348 men and women you have supported in this journey.

This is our gift to you. The names of these men and women and the stories they represent are a delight to us and I hope they are to you, too. Your prayers, dollars, encouragement, and expertise have been used to impact their lives even as they are impacting the lives of friends and family in multiple settings across the continent. This is the global Church at work.

Together, the international community of African Leadership has impacted more than 251,000 men, women, and children across Africa *this year*. They have been impacted with the truth of the Gospel and are forever changed by the Word of God which never returns void. So as you and your family anticipate the coming of Christmas this season, I pray you are even more aware of the sacredness of this year's journey.

Happy Thanksgiving and Merry Christmas,
